

## Telecoms in Plain English

### Line Rental Saver – Cheapest Line Rental Anywhere

**900telecom** standard line rental is only 13.97€ per month\* OR with our Line Rental Saver you can pay for 12 months in advance reducing the cost to just 11.64€ a month\* **saving you over 16%** on your yearly bill. Line Rental with **900telecom** always includes Caller Id and Voice Mail in English.

### Cheapest calling to UK

**900telecom** consistently offer the cheapest rates to UK Landlines starting with our standard **2.8cents p/min peak and 1.9 cents p/min off-peak\***. There are no monthly fees to pay to get these low rates and your bills, in English are fully itemised each month. (8am to 8pm is peak time and after 8pm and all weekend is off-peak)

We also have an OPTIONAL ridiculously low **¾ cent per minute** any time of day rate, that's less than a cent to call the UK for a monthly fee of 5.99€\*. If you talk to the UK more often then this is for you and is the cheapest rate you will find anywhere !

### Telephone and Internet

We package services together making them cheaper and our **HomePlan package** at only **39.99€ per month\* includes:**

- 2.8 c/min\* Peak & 1.9 c/min\* Off-peak to UK Landlines
- **Line Rental** with Caller Id and Voice Mail
- 24/7 unlimited Internet with no download limits
- **Free** Wireless Router
- **Unlimited Free** Spanish Calls to landlines (Local and National)
- **UK TV channels** viewable online

\*All prices are subject to IVA at the prevailing rate
